ROLAND WILSON
COMMONWEALTH STATISTICIAN

COMMONWEALTH BUREAU OF CENSUS AND STATISTICS,

CANBERRA A.C.T.

6TH OCTOBER, 1950

#### 1. GENERAL

This bulletin, issued by the Commonwealth Statistician (Dr. Roland Wilson) covers the operations of Part VII of the Social Services Consolidation Act, 1947-50, for the month of May, 1950, and the eleven months ended May, 1950. This information has been compiled from data made available by the Department of Social Services.

The number of recipients of benefit does not embrace the total unemployment and sickness in the community. Unemployment or sickness of less than seven days' duration is not covered, owing to the provision in the Act of a "waiting period" of this length of time during which no benefit is payable. The application of a "means test" excludes another group from benefit.

Special Benefit is paid in cases of hardship where the claimant is not qualified for either of the other benefits. The number of new Australians receiving special benefits has now been excluded from the tables in this bulletin; the amount of such benefits paid, however, is included in Table I.

The number of "persons on benefit" relates to principal beneficiaries who would normally be breadwinners. Dependents of such beneficiaries are excluded.

Admittances and exits in Sections 3, 5 (pars. ii, iii, & iv) and 6 refer to those notified during the period shown and not to those which actually occurred during the period.

Due to delay in the receipt of information in respect of some beneficiaries the figures are subject to revision. This applies particularly to exits, and results in persons on benefit at the end of the later months being overstated.

### 2. ALL BENEFITS - SUMMARY

(ii) <u>Cause of Unemployment</u>: The following table analyses the reason for termination of employment, as stated by persons whose admission to benefit <u>was</u> notified during May, 1950 and the eleven months ended May, 1950, and by those who were on benefit at 27th May, 1950.

Discharges and lay-offs are separations on the initiative of the employer the broad distinction being that a discharge is final and there is no likelihood of the person being re-engaged, at least in the near future. A lay-off is a separation of a temporary nature with the idea that the job will be available again for the employee as soon as circumstances permit. Quits are separations which are made by initiative of the employee.
